SKD INC.

SHERI KESTEN DESIGN (SKD) SPECIALIZES IN COMPREHENSIVE architectural and interior design. Guided by her impeccable taste and innovative style, Kesten has executed full-service design work for thousands of South Florida's most distinguished homes. She has built her reputation over the past 30 years through constructing and renovating sophisticated and quietly elegant interiors, immersed in practical environments. Kesten's signature is her unique ability to coordinate soothing color palettes, exclusive fabrics and diversified textures creating distinctive and powerful spaces. By earning the confidence of her clients, Kesten generally remodels homes in their absence, overseeing and executing all facets of the renovation.
